NOTES:

1. In conformity with the Circulars issued by the Ministry of Corporate Affairs ("MCA Circulars") and Securities & Exchange Board of India (SEBI Circulars) and in compliance with the provisions of the Companies Act 2013 ("the Act") and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"), the 36th AGM of the Company is being conducted through VC/OAVM Facility, which does not require physical presence of Members at a common venue.
2. In terms of the MCA Circulars, since the physical attendance of Members has been dispensed with, there is no requirement of appointment of proxies. Accordingly, the facility of appointment of proxies by Members under Section 105 of the Act will not be available for the 36th AGM. However, in pursuance of Section 112 and Section 113 of the Act, representatives of the Members may be appointed for the purpose of voting through remote e-Voting and for participation in the 36th AGM through VC/OAVM Facility and e-Voting during the 36th AGM.
3. In line with the MCA Circulars, the Notice of the 36th AGM will be available on the website of the Company at <https://www.sunshieldchemicals.com>, on the website of BSE Limited at <https://www.bseindia.com> and also on the website of NSDL (agency for providing the Remote-Voting Facility) i.e. at <https://www.evoting.nsdl.com>
4. Since the AGM will be held through VC/OAVM Facility, the Route Map is not annexed to this Notice.
5. In compliance with the MCA Circulars, the Notice of the AGM and the Annual Report for the Financial Year 2022-23 are being sent through electronic mode to those Members whose e-mail addresses are registered with the Company/ DPs and through courier for those Members whose e-mail addresses are not registered with the Company/ RTA. Members may note that Notice of the AGM and the Annual Report for the Financial Year 2022-23 will also be available on the Company's website at www.sunshieldchemicals.com, websites of the Stock Exchanges, i.e. BSE Limited at www.bseindia.com, and on the website of NSDL at <https://www.evoting.nsdl.com/>
6. The Members can join the AGM in the VC/OAVM mode 30 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available for 1,000 Members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
7. The attendance of the Members participating in the AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.
8. Members holding shares in more than one folio in the same name(s) are requested to send the details of their folios along with the share certificates to the Company's Registrar and Transfer Agent i.e. TSR Consultants Private Limited ("TCPL"), so as to enable the Company to consolidate their holdings into one folio.
9. Explanatory Statement pursuant to Section 102 of the Act and statement giving the relevant details of the Director seeking re-appointment under item no. 3 of the accompanying Notice, as required under Regulation 26(4) and 36(3) of SEBI (LODR) Regulations, 2015 and Secretarial Standard on General Meetings issued by the Institute of Company Secretaries of India is annexed herewith.
10. The Register of Members / Shareholders and Share Transfer Books of the Company will remain closed from Friday, the 11th day of August 2023 to Wednesday, the 16th of August 2023 (inclusive of both days)
11. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit the PAN to their Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN details to the Company by sending an email containing scanned copy of request letter and self attested copy of PAN card to csg-unit@tcplindia.co.in

In terms of the Listing Regulations, securities of listed companies can only be transferred in dematerialized form with effect from 1st April 2019. In view of the above, Members are advised to dematerialize shares held by them in physical form.

12. Further, SEBI vide its circular SEBI/HO/ MIRSD/ MIRSD_RTAMB/P/CIR/2022/8 dated 25th January 2022, has mandated listed Companies to issue securities in demat form while processing services requests viz., Issue of duplicate share certificate, Claim from unclaimed suspense account, Renewal/ Exchange of securities certificate, Endorsement, Sub-division / splitting of securities certificate, Consolidation of securities certificates/folios, Transmission, Transposition. For this purpose, the securities holder/claimant shall submit a duly filled up Form ISR-4 which is hosted on the website of the company as well as on the website of TCPL, Registrar and share Transfer Agent (RTA). The aforementioned form shall be furnished in hard copy form.
13. To support the 'Green Initiative', Members who have not yet registered their email addresses are requested to register the same with their DPs in case the shares are held by them in electronic form and with TCPL in case the shares are held by them in physical form.
14. Members are requested to intimate changes, if any, pertaining to their name, postal address, email address, telephone/ mobile numbers, Permanent Account Number (PAN), mandates, nominations, power of attorney, bank details such as, name of the bank and branch details, bank account number, MICR code, IFSC code, etc., to their DPs in case the shares are held by them in electronic form and to TCPL in case the shares are held by them in physical form.
15. In case of joint holders, the Member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote at the AGM.
16. Dividend on Equity Shares if declared at the AGM will be credited/dispensed within the prescribed time-limit mentioned in section 126 of the Act –
 - to all those beneficial owners holding shares in electronic form, as per the beneficial ownership data made available to the

Company by National Securities Depository Limited ('NSDL') and the Central Depository Services (India) Limited ('CDSL') as of the end of the day of 10th August 2023; and

- to all those Shareholders holding shares in physical form, whose names stand registered in the Company's Register of Members as Members on the end of the day on 10th August 2023.

In accordance with the provisions of the Income Tax Act, 1961 as amended by and read with the provisions of the Finance Act, 2020, with effect from 1st April 2020, dividend declared and paid by the Company is taxable in the hands of Shareholders and the Company is required to deduct tax at source (TDS) from dividend paid to the Shareholders at the applicable rates. The Company has sent a detailed communication to the Members in this regard. The Shareholders are requested to refer to the same and comply to ensure appropriate deduction of tax and in any case update Residential status, PAN, Category of holding, etc. with their DP or in case shares are held in physical form, with the Company's RTA. Further, Shareholders who have not registered their email address are requested to register the same with the RTA. Shareholders are further requested to update their Bank details with the Depository / Company for enabling the Company to make timely credit of dividend in respective bank account.

3. MANAGEMENT'S DISCUSSION AND ANALYSIS: F.Y. 2022-2023

I. Industry Structure & Development:-

The Chemical Industry is a key enabler for other industries. As chemicals are consumed in varying proportions by every industry (rightly from electronics to paints, from pharmaceuticals to cosmetics), without chemicals, sustainable development of other sectors is not possible.

The Chemical Industry is a crucial constituent of the growing Indian economy, providing the key material for several industries. The Company operates only in one Segment, namely 'Specialty Chemicals'. Specialty Chemicals are chemical products which provide a wide variety of effects on which many other industry sectors rely.

Specialty chemicals, which comprise of low volume, high value chemicals with specific applications, constitute a significant part of the Indian chemical industry and are targeted towards specific end-use applications.

Specialty chemicals are produced by a complex, interlinked industry. In the strictest sense, specialty chemicals are chemical products that are sold based on their performance or function, rather than their

composition. Products and services in the specialty chemicals industry require intensive knowledge and ongoing innovation.

The Company is engaged in the manufacture and sale of a wide range of specially formulated and customized products with application across diverse sectors like Home & Personal Care, Industrial Formulations, Paints & Coatings, Agrochemicals etc. The Company is a leading player in the surfactant and specialty functional chemicals business. Company's customers are well recognized and located not only in India but all over the world especially in America, Europe, and Far-East.

Our customers represent a wide range of Industries such as Metal Treatment, Wire Insulation Enamel, PVC stabilizers, Inks, Colours, Coatings, Textiles, Agro Chemicals, Polymers, Plastics, Rubber, Latex, Tyre and Tubes, Conveyor belts, Lubricants, Additives, Home care, Cosmetic, Soaps detergents, Fertilizers and many more.

Our customers are always seeking innovative products formulations for their current process needs, which are fulfilled by the Company's Product Development, knowledge & experience.

Details of Company's main products and its end use applications are as below:

Products	End use Applications
THEIC (Tris 2-Hydroxyethyl Isocyanurate)	THEIC is available as a powder as well as in noodles form. Its end-use includes applications as heat stabilizers, as a cross linking agent and PVC stabilizer.
HQEE (Hydroquinone Bis (2-Hydroxyethyl) Ether)	HQEE is a specialty elastomer and crosslinking agent used as a chain extender for polyurethanes (PU). It is well suited for finishing and improving properties of materials.
Antioxidants	The aminic antioxidants market has been segmented on the basis of application into plastic processing, rubber processing, fuel & lubricants and adhesives.
Urea Formaldehyde	Used as a matting and effects agent for the paint and varnish industry. Its main advantages are: High matting efficiency, low impact on rheology, improved scratch and abrasion resistance, improvement of adhesion and elasticity, excellent weather resistance and retention.

Products	End use Applications
Ethoxylates & Propoxylates	Used as dispersing agents in paper & pulp industry, emulsifiers in dye manufacture, means for dissolution and floatation, constituents of agro insecticides and herbicides, and in many other industrial applications. These products have applications as low-foaming nonionic surfactants and have excellent wetting and dispersing properties.

II. Operating and Financial Performance of the Company

(₹ In Lakhs)

	F.Y. 2022-2023	F.Y. 2021-2022	Change over Previous year
i) Exports	8524	6695	27.32%
ii) Domestic	15916	17650	(9.82%)
iii) Other Operating Income	36	55	(34.54%)
Revenue from Operation	24476	24400	0.31%
Other Income	182	71	156.34%
Total Income	24658	24471	0.76%

	F.Y. 2022-2023	F.Y. 2021-2022	Change over Previous year
Volume Sales (MT)	11864	13706	(13.44%)
Sales Value (₹)	24440	24345	0.39%
Average Product Price (₹ per kg)	206	178	15.73%

Export Sales increased by 27.32% from ₹ 6,695 Lakhs to ₹ 8,524 Lakhs and domestic Sales went down by 9.82% from ₹ 17,650 Lakhs in 2021-22 to ₹ 15,916 Lakhs in 2022-23. Overall there was marginal increase in Total Income as compared to last year.

Major change was in the sales of Antioxidants based products where sales value went up as compared to last year. In case of Ethoxylates, Propoxylates and Theic based products volume has gone down but on higher price realization.

III. Outlook

The year began with cautious optimism, as pandemic related restrictions were lifted globally, and economic activities showed signs of gradual recovery. However, the escalation of the Russia-Ukraine conflict resulted in a sharp increase in commodity prices, exacerbating the already surging global inflation. China's Zero-COVID Policy led to frequent lockdowns, low demand, and supply chain disruptions in Asia.

Volatile demand, operational and supply chain disruptions, potentially tightening credit markets and the health of workforce remains concern.

Manufacturing growth in India is generally driven by domestic consumption and Investments. Specialty chemicals finding applications across consumer, industrial and infrastructure segments are driven by the overall growth of the Indian economy. The Company expects the demand for its products to grow in line with the economy. Technology & Innovation will play a major role in growth. Even though our company's product profile is part of essential chemicals, the demand for essentials largely depend on how Indian and Global economy opens up in the future pandemic scenario.

Rural demand is likely to remain resilient on a good projection for the agriculture sector. We would like to remain cautiously optimistic for the year. The Company expects the demand for its products to remain positive.

The Company's products continue to be well received by world's leading users of specialty chemicals for a diverse range of industrial applications. The Company has been recognized as a reputable and dependable supplier to many Indian and global consumers of specialty products developed in-house.

IV. Risks and Concerns

The capabilities and the skills of organizations continue to be challenged due to the Russia-Ukraine conflict. Other risks like Volatility in market demand, forex fluctuations, changes in regulatory requirements and disruption in supply chain will continue to have impact going forward.

The Company has laid down a well-defined Risk Management Framework covering the risk, risk exposure, potential impact and risk mitigation process. The Present and future risks are reviewed by the management of the Company at regular intervals. Adequate risk management is a key success factor, to mitigate risks associated with the solutions we provide. Major risks identified by the business and functions are systematically addressed by taking corrective actions on a continuous basis. These are discussed at the Audit Committee and Board Meetings.

Major Risk arises from main raw material viz., Ethylene Oxide (EO). There may be availability risk associated with EO which however, is currently and consistently available from one manufacturer in the country. If there is an issue with the supply of EO, production of several products would be affected.

The Company is committed to protecting the environment, and ensuring the health and safety of its employees, customers, neighbors and public. Some of our major raw materials are hazardous and flammable and some safety risks are inherent in the manufacturing processes. The Company has ensured that required process controls, safety equipment's and infrastructure are in place as per statutes and global safety standards.

V. Internal Financials Controls and their adequacy

Internal Checks and Controls covering operations of the Company are in place and are constantly being improved upon. The Company has laid down internal financial controls to be followed and such policies and procedures adopted are for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, safeguarding its assets, the prevention and detection of frauds and errors, accuracy and completeness of the accounting records, and timely preparation of reliable financial information.

During the year, the internal and statutory auditors of the Company have reviewed the effectiveness and efficiency of these controls and procedures. As per the said assessments, the Board is of the view that the Internal Financial Controls operate effectively and no material weaknesses exist.

Board procedure and Access to information

The Board of Directors (the “Board”) is responsible for the management of the business of the Company and meets regularly for discharging its role and functions.

The Board of the Company reviews all information provided periodically for discussion and consideration at its meetings as provided under the Companies Act, 2013 (including any amendment and re-enactment thereof) and Schedule II (Part A) of SEBI LODR. Further, the Board is also apprised of all the developments in the Company.

Detailed Agenda is circulated to the Directors in advance. All material information is incorporated in the agenda for facilitating meaningful and focused discussion at the meetings. Where it is not practicable to enclose any document to the agenda, the same is placed before the meeting. In special and exceptional circumstances, additional item(s) on the agenda are permitted to be discussed at the Meeting.

Board makes timely strategic decisions, to ensure operations are in line with strategy; to ensure the integrity of financial information and the robustness of financial and other controls; to oversee the management of risk and review the effectiveness of risk management processes.

Non-Executive Directors are expected to provide an effective monitoring role and to provide help and advice to the Executive Directors. This is in the long-term interest of the Company and should be based on the optimum level of information,

through smooth processes, by people with the right skills mix and in a constructive manner. The Independent Directors play an important role in deliberations at the Board and Committee meetings.

The Board meets at least once in a quarter to review the quarterly results and other items on the agenda. Additional meetings are held, when necessary. The meetings of the Board are generally convened at the Company’s Corporate Office at Mumbai or through video conferencing. In case of urgency or when the Board Meeting is not practicable to be held, the matters are resolved via Circular Resolution, which is then noted by the Board in its next meeting.

Audio-Video conferencing facilities are also used to facilitate Directors travelling or at other locations to participate in the meetings. The Minutes of the Board Meetings are circulated within 15 days of the meeting to all Directors and confirmed at subsequent Meeting.

The Board also reviews the declarations made by the Managing Directors/Chief Financial Officer/ Company Secretary of the Company regarding compliance of all applicable laws on a quarterly basis.

INDEPENDENT AUDITOR'S REPORT

To The Members of Sunshield Chemicals Limited Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying Financial Statements of **Sunshield Chemicals Limited** (“the Company”), which comprise the Balance Sheet as at March 31, 2023, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the Financial Statements including a summary of significant accounting policies and other explanatory information (hereinafter referred to as ‘Financial Statements’).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended (“Ind AS”), and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, the net profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Financial Statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor’s Responsibility for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI’s Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Financial Statements of the current period. These matters were addressed in the context of our audit of the Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matter	Auditor’s Response
1.	Revenue from the sale of goods is recognised when the Company performs its obligation to its customers and the amount of revenue can be measured reliably and recovery of the consideration is probable. The timing of such recognition in the case of sale of goods is when the control over the same is transferred to the customer and the Company has fulfilled all its obligations. The management considers revenue as a key measure for evaluation of performance. There is a risk of revenue not being recorded in the correct accounting period. Refer Note 2.2 to the Financial Statements - Significant Accounting Policies	Our audit approach comprised test of internal controls and substantive procedures including: <ul style="list-style-type: none"> Assessing the appropriateness of the Company’s accounting policy relating to revenue recognition in line with Ind AS 115 (“Revenue from Contracts with Customers”) and testing thereof. Evaluating the general information and control environment and testing the operating effectiveness of the IT application controls. Testing the effectiveness of such controls over cut off procedures adopted as at the year-end. Testing the sales transactions recorded during the period closer to the year- end and subsequent to the year-end, including examination of credit notes issued after the year-end to determine the appropriateness of the period in which revenue is recognized. Performing analytical procedures on revenue based on periodical past trends and where appropriate, conducting further enquiries and testing. Evaluating the design and implementation of the Company’s controls in respect of revenue recognition.

Sunshield Chemicals Limited

Sr. No.	Key Audit Matter	Auditor's Response
2.	<p>There are several litigations pending before various forums against the Company. These also include matters under various statutes and involves significant management judgement and estimates on the possible outcome of the litigations and consequent provisioning thereof or disclosure as contingent liabilities.</p> <p>We identified this as a key matter as the estimate of these amounts involve a significant degree of management judgement and high estimation uncertainty.</p>	<p>To address this key audit matter, our procedure included:</p> <ul style="list-style-type: none"> • Obtaining from the management details of matters under disputes including ongoing and completed tax assessments, demands and other litigations; • Evaluation and testing of the design of internal controls followed by the company relating to litigations and open tax positions for direct and indirect taxes and process followed to decide provisioning or disclosure as contingent liabilities; • Discussing with the company's personnel for sufficient understanding of on-going and potential legal matters impacting the company;
3.	<p>IT systems and controls over financial reporting.</p> <p>We identified IT systems and controls over financial reporting as a key audit matter for the Company because its financial accounting and reporting systems are fundamentally reliant on IT systems and IT controls to process significant transaction volumes, specifically with respect to revenue and raw material consumption. Also, due to large transaction volumes and the increasing challenge to protect the integrity of the Company's systems and data, cyber security has become more significant.</p> <p>Automated accounting procedures and IT environment controls, which include IT governance, IT general controls over program development and changes, access to program and data and IT operations, IT application controls and interfaces between IT applications are required to be designed and to operate effectively to ensure accurate financial reporting.</p>	<p>In view of the significance of the matter, we applied the following audit procedures among others, to obtain sufficient and appropriate audit evidence:</p> <ul style="list-style-type: none"> • Assessed the complexity of the IT environment through discussion with the IT team and identified IT applications that are relevant to our audit; • Evaluated the operating effectiveness of IT general controls over program development and changes, access to program and data and IT operations; • Performed inquiry procedures with the IT team of the Company in respect of the overall security architecture and any key threats addressed by the Company in the current year; • Evaluated the operating effectiveness of IT application controls in the key processes impacting financial reporting of the Company; • Assessed the operating effectiveness of controls relating to data transmission through the different IT systems to the financial reporting systems

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the Other Information. The Other Information comprises the information included in the Management Discussion and Analysis, Board's Report including annexures to the Board's Report, Corporate Governance and Shareholders Information but does not include the Financial Statements and our auditor's report thereon.

Our opinion on the Financial Statements does not cover the Other Information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the Other Information identified above when it becomes available and, in doing so, consider whether the Other Information is materially inconsistent with the Financial Statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this Other Information, we are required to report that fact. When we read the other information, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements.

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, based on our audit we report, that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1 under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

(i) Property Plant and Equipment:

- a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment, including capital work-in-progress.
- (B) The Company has maintained proper records showing full particulars of intangible assets;
- b) The Company has a program of physical verification of Property, Plant, and Equipment, (including capital work-in-progress) and other assets so as to cover all the items once in every three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, during the year, certain items of Property, Plant & Equipment have been physically verified by the Management. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
- c) Based on our examination of the registered sale deeds provided to us, we report that the title deeds of all the immovable properties, comprising of land and building which are freehold, are held in the name of the Company as at the balance sheet date
- d) The Company has not revalued any of its property, plant, and equipment, Intangible assets or both during the year;
- e) As disclosed in note no. 40(5) of the Financial Statements, the Company does not have any proceedings initiated or pending against it for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 and rules made thereunder.

(ii) Inventory:

- a) The inventory (except goods in transit) has been physically verified by the Management during/at the end of the year. In our opinion, the frequency of verification is reasonable. Considering the size of the Company and nature of its operations, the coverage and procedures are adequate. The discrepancies noticed on physical verification of inventory did not exceed 10% or more for each class of inventory and has been appropriately dealt with in the books of account.
- b) The Company has been sanctioned working capital limits exceeding ₹ 5 crores from banks on the basis of security of current assets. The quarterly returns / statements filed by the Company are broadly in agreement with the books of account and no material unreconciled discrepancies have been observed. Refer Note 16 of the Financial Statements.

(iii) Loans, Investments etc :

- a) During the year, the Company has granted interest free loans to employees, the details of which are given below:

Particulars	Amount (₹ in Lakhs)
A. Aggregate amount granted / provided during the year:	
— Loans to Employees	2.21
B. Balance outstanding as at balance sheet date in respect of above:	
— Loans to Employees	3.18

The Company has not provided any loans, made any investments, provided any guarantee or security to any other entity during the year.

- b) The terms and conditions of the grant of all the above-mentioned loans, are, in our opinion, prima facie, not prejudicial to the Company’s interest.

- (c) In respect of the loans granted to employees by the Company, the schedule of repayment of principal has been stipulated and the repayments of principal amounts are regular as stipulated.
- (d) In respect of the loans granted by the Company, there is no amount which is overdue for more than ninety days.
- (e) There are no loans that have fallen due during the year which have been renewed or extended or fresh loans granted to settle the overdue of existing loans given to same parties.

The Company has not granted any loans or advances in the nature of loans, either repayable on demand or without specifying any terms or period of repayment

(iv) Section 185 and 186:

The Company has not granted any loans, made investments or provided guarantees or securities and hence reporting under clause (iv) of the Order is not applicable for the year under audit.

(v) Public Deposits:

The Company has not accepted any deposits or amounts which are deemed to be deposits within the provisions of sections 73 to 76 or any other relevant provisions of the Companies Act, 2013 and the rules framed there under. Therefore, Clause 3(v) of the Order is not applicable to the Company for the year under audit.

(vi) Cost Records:

We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014, as amended and prescribed by the Central Government under sub-section (1) of Section 148 of the Act, and are of the opinion that, prima facie, the prescribed cost records have been made and maintained by the Company. We have, however, not made a detailed examination of these accounts and records with a view to determine whether they are accurate or complete.

(vii) Statutory Dues:

In respect of statutory dues:

- a) In our opinion, the Company has been generally regular in depositing undisputed statutory dues, including Goods and Service tax, Provident Fund, Employees' State Insurance, Income Tax, Sales tax, Service Tax, Duty of Custom, Duty of Excise, Value Added Tax, Cess and other material statutory dues applicable to it with the appropriate authorities. There were no undisputed amounts payable in respect of Goods and Service tax, Provident Fund, Employees' State Insurance, Income Tax, Sales tax, Service Tax, Duty of Custom, Duty of Excise, Value Added Tax, Cess and other material statutory dues to the extent applicable to the Company, in arrears as at March 31, 2023 for a period of more than six months from the date they became payable;

- b) The particulars of statutory dues that have not been deposited on account of any dispute are as under:

Name of Statute	Nature of Dues	Amount (₹ In Lakhs)^	Period to which the Amount Relates	Forum where Dispute is Pending
Central Sales Tax Act, 1956	Sales Tax including interest	326.75	2006-2007 to 2007-2008, 2009-2010; and 2013-14 to 2016-17	Maharashtra Sales Tax Tribunal

^ Net of ₹ 182.01 Lakhs paid under protest

(viii) Undisclosed Income:

As disclosed in note no. 40(4) of the Financial Statements, there are no transactions which are not recorded in the books of account which have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961

(ix) Borrowings:

- (i) (a) The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.
- (b) As disclosed in note no. 40(7) of the Financial Statements, the Company is not declared wilful defaulter by any bank or financial institution or other lender.
- (c) The term loans raised during the year were applied for the purpose for which the loans were obtained.
- (d) The Company has not utilised funds raised on short-term basis for long-term purposes.
- (e) The Company does not have any subsidiary, associate or joint venture. Therefore, clauses 3(ix)(e) and 3(ix)(f) of the Order are not applicable to the Company for the year under audit.

(x) Issue of Securities :

- (a) The Company has not raised moneys by way of initial public offer or further public offer including debt instruments during the year. Hence, clause 3(x)(a) of the Order is not applicable to the Company for the year under audit.
- (b) The Company has not made any preferential allotment or private placement of shares or fully, partly or optionally convertible debentures during the year under review. Therefore, clause 3(xx)(b) of the Order is not applicable to the Company for the year under audit.

(xi) Fraud:

- (a) There are no instances of material fraud by the Company or on the Company noticed or reported during the year.
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed by the auditors in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.
- (c) As represented to us by the management, there are no whistle blower complaints received by the Company during the year.

(xii) Nidhi Company :

The Company is not a Nidhi Company and hence the reporting under paragraph 3(xii) of the Order is not applicable to the Company for the year under audit.

(xiii) Related Parties :

The Company is in compliance with Section 177 and 188 of the Companies Act, 2013 where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the Financial Statements as required by the applicable accounting standards.

(xiv) Internal Audit:

- a) In our opinion, the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- b) We have considered the internal audit reports issued to the Company during the year and covering the period up to March 2023 for the period under audit. We have considered the observations of the internal auditors of the Company in their reports, in determining the nature, timing and extent of our audit procedures, for the year under audit.

(xv) Non-Cash Transactions:

The Company has not entered into any non-cash transactions with its directors or persons connected with him. Accordingly, clause 3(xv) of the Order is not applicable to the Company for the year under audit.

(xvi) 45-IA:

- a) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause (xvi)(a), (b) and (c) of the Order is not applicable for the year under audit.
- b) In our opinion, there is no Core Investment Company (CIC) [as defined in Core Investment Companies (Reserve Bank) Directions, 2016] within the Group and accordingly reporting under clause (xvi)(d) of the Order is not applicable for the year under audit.

(xvii) Cash Loss:

The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.

(xvii) Resignation of Statutory Auditors:

During the year, the Statutory Auditors, who undertook the audit for the year ended 31st March 2022 resigned vide their letter dated 17th June 2022. There is no communication to us from the outgoing Statutory Auditors about any pending issues, objections or concerns.

(xix) Ability to pay Liabilities:

On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and

our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

(xx) CSR unspent amount:

The Company has spent the requisite amount on eligible CSR activities and there is no unspent amount as at the end of the year, whether related to on-going projects or otherwise.

ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 2(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

Report on the Internal Financial Controls with reference to the aforesaid Financial Statements under clause (i) of sub section 3 of section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls with reference to Financial Statements of **Sunshield Chemicals Limited** (“the Company”) as of March 31, 2023 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management and Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to Financial Statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls with reference to Financial Statements of the Company based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls with reference to Financial Statements

A company’s internal financial control with reference to Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the Financial Statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial

reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note issued by the Institute of Chartered Accountants of India.

Notes forming part of the financial statements for the year ended March 31, 2023

1. COMPANY BACKGROUND

Sunshield Chemicals Limited ('the Company') is a Public Limited Company and was incorporated in India on November 19, 1986 under the Companies Act, 1956 and has its registered office 1501-A, Universal Majestic, P.L. Lokhande Marg, Opp. RBK International School, Chembur West Mumbai Maharashtra. The Company is engaged in manufacture and sale of Speciality Chemicals in the domestic and international markets.

The Financials Statements are approved by the Company's Board of Directors on May 16, 2023.

2. SIGNIFICANT ACCOUNTING POLICIES:

Statement of compliance

The Financial Statements have been prepared in accordance with Indian Accounting Standards as per the Companies (Indian Accounting Standards) Rules, 2015 as amended and notified under section 133 of the Companies Act, 2013 (the 'Act').

The Financial Statements are presented in Indian Rupees and all values are rounded to the nearest lakhs, except where otherwise indicated.

2.1. Basis of preparation of Financial Statements

The Financial Statements have been prepared on the historical cost basis, except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below.

Historical cost is generally based on the fair value of the consideration at the date of the transaction, in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are not based on observable data i.e. based on unobservable inputs.

2.2. Revenue recognition

Revenue is recognized upon transfer of control of promised products or services to customers in an amount that reflects the consideration expected to receive in exchange for those products or services.

(a) Sale of products

Revenue from contract with customers is recognised when the Company satisfies performance obligation by transferring promised goods and services to the customer. The revenue is measured based on transaction price, which is the fair value of the consideration received or receivable and is net of discounts, allowances, returns, goods and services tax.

(b) Sale of Services

Revenue from services is recognised on rendering of services as per the terms and conditions agreed with the customers.

(c) Export Incentives

Income from export Incentives such as duty drawback, advance licenses, RoDTEP are recognized on an accrual basis.

Notes forming part of the financial statements for the year ended March 31, 2023

2.3. Interest income

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

2.4. Foreign currency transactions and translations

The functional currency of the Company is the Indian Rupee. The treatment of foreign currency transactions is as under:

a) Initial recognition

Transactions in foreign currencies entered into by the Company are accounted at the exchange rates prevailing on the date of the transaction or using rates that closely approximate the rate at the date of the transaction.

b) Measurement at the balance sheet date

At the end of each reporting period, monetary items denominated in foreign currencies are restated at the rates prevailing at that date. Non-monetary items are measured at fair value based on exchange rate prevailing when the fair value is determined.

c) Treatment of exchange differences

Exchange differences in relation to monetary items arising at the time of settlement or translation are recognised in profit or loss in the period in which they arise.

d) Advance Consideration:

The Company has adopted Appendix B to Ind AS 21, Foreign Currency Transactions and Advance Considerations notified in the Companies (Indian Accounting Standards) Rules, 2018. Accordingly, the exchange rate for translation of foreign currency transactions, in cases when Company receives or pays advance consideration is earlier of: -

- (a) the date of initial recognition of non-monetary prepayment asset or deferred income liability or
- (b) the date that the related item is recognized in the financial statements.

If the transaction is recognized in stages, then a transaction date will be established for each stage.

2.5. Taxation

Income-tax expense comprises current tax (i.e. amount of tax for the period determined in accordance with income tax laws) and deferred tax charge or credit (reflecting the tax effect of timing differences between accounting income and taxable income for the year).

Current Tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using applicable tax rates that have been enacted or substantively enacted by the end of the reporting period and the provisions of the Income Tax Act, 1961 and other tax laws, as applicable.

Deferred Tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are recognised for all taxable temporary differences. Deferred tax assets are recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. In addition, deferred tax liabilities are not recognised if the temporary difference arises from the initial recognition of goodwill.

Notes forming part of the financial statements for the year ended March 31, 2023

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as a deferred tax asset if there is convincing evidence that the Company will pay normal income tax in future. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is probable that future economic benefit associated with it will flow to the Company.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Current and Deferred Tax for the year

Current and deferred tax are recognised in the Statement of Profit and Loss, except when they relate to items that are recognised in Other Comprehensive Income or directly in equity, in which case, the related current and deferred tax are also recognised in Other Comprehensive Income or directly in equity respectively.

2.6. Property, Plant and Equipment

Property, plant and equipment are carried at cost less accumulated depreciation and impairment losses, if any. The cost of property, plant and equipment comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use and interest on borrowings attributable to acquisition of qualifying property, plant and equipment up to the date the asset is ready for its intended use.

Machinery spares which can be used only in connection with an item of property, plant and equipment and whose use is expected to be irregular are capitalised and depreciated over the useful life of the principal item of the relevant assets. Subsequent expenditure on property, plant and equipment after its purchase / completion is capitalised only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance.

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value. Freehold land is not depreciated. Depreciation on property, plant and equipment has been provided on the straight-line method (SLM) in accordance with the useful lives specified in Part – C of Schedule II of the Companies Act, 2013 on a pro-rata basis except in the case of certain items of Plant & Machinery over their useful lives ranging from 7 years to 18 years as estimated by the company.

The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the Statement of Profit and Loss.

For transition to Ind AS, the Company had elected to continue with the carrying value of all of its property, plant and equipment recognised as of April 01, 2016 (transition date) measured as per the previous GAAP and use that carrying value as the deemed cost.

Capital work-in-progress:

Projects under which tangible property, plant and equipment are not yet ready for their intended use are carried at cost, comprising direct cost and attributable interest, if applicable as Capital work-in-progress.

Notes forming part of the financial statements for the year ended March 31, 2023

2.7. Impairment of non-financial assets

Assets that are subject to depreciation or amortisation are tested at each balance sheet date for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's or the cash generating unit's (CGU) carrying amount exceeds its recoverable amount and is recognised in the Statement of Profit and Loss. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. In assessing the value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects the current market assessment of the time value of money and the risk specific to the asset for which the estimates of the future cash flows have not been adjusted.

When an impairment loss subsequently reverses, the carrying amount of the asset or the CGU is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset or CGU in prior years. A reversal of an impairment loss is recognised immediately in the Statement of Profit and Loss.

2.8. Inventories

Inventories are measured at the lower of cost (arrived at on weighted average basis) and net realisable value after providing for obsolescence and other losses, where considered necessary. Net realisable value represents the estimated selling price for inventories less all estimated costs of completion and costs necessary to make the sale. Cost of inventories comprises of all costs of purchase and other costs incurred in bringing the inventories to their present location and condition. Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs necessary to make the sale.

2.9. Provisions, contingent liabilities, and contingent assets

Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

Contingent liabilities

Contingent liabilities are disclosed unless the possibility of outflow of resources is remote, when there is:

- A possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or
- A present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or reliable estimate of the amount cannot be made.

Contingent assets

A contingent asset is neither recognised nor disclosed in the financial statements.

2.10. Financial Instruments

a) Initial Recognition and Measurement

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments. At initial recognition, financial assets (other than trade receivables) and financial liabilities are measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss ("FVTPL")) are added to or deducted from the value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at Fair Value through Profit or Loss are recognised in the Statement of Profit and Loss.

Notes forming part of the financial statements for the year ended March 31, 2023

i) Financial assets

All financial assets are initially measured at fair value, plus in the case of financial assets not recorded at fair value through profit or loss (FVTPL), transaction costs that are attributable to the acquisition of financial assets. Trade receivables that do not contain a significant financing component are measured at transaction price.

After initial recognition all financial assets (other than derivative instruments) meeting the relevant criteria, are subsequently measured at amortised cost using the effective interest method. The Company has not designated any financial asset as FVTPL or Fair Value through Other Comprehensive Income ("FVTOCI").

Debt instruments that meet conditions based on purpose of holding assets and contractual terms of instrument are subsequently measured at amortised cost using effective interest method. All other financial assets are measured at fair value. Income is recognised on an effective interest basis for debt instruments other than those financial assets classified as Fair Value Through Profit or Loss. Interest income is recognised in the statement of profit or loss and is included in the "Other income" line item.

Impairment of Financial Assets

The Company applies the expected credit loss model for recognising impairment loss on financial assets measured at amortised cost, trade receivables and other contractual rights to receive cash or other financial asset.

For trade receivables and any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 115, the Company always measures the loss allowance at an amount equal to lifetime expected credit losses. Further, for the purpose of measuring lifetime expected credit loss allowance for trade receivables, the Company has used a practical expedient as permitted under Ind AS 109. The expected credit loss allowance has been made taking into the account historical credit loss experience and adjusted for forward looking information.

ii) Financial Liabilities and equity instruments

Classification of debt or equity

Debt or equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of financial liability and equity instrument.

Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received, net of direct issue costs.

Financial Liabilities

All financial liabilities (other than derivative financial instruments) are measured at amortised cost using effective interest method at the end of the reporting period.

b) Derecognition of Financial Assets and Liabilities

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire or when the Company transfers the contractual rights to receive the cash flows of the financial asset in which substantially all the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all the risks and rewards of ownership of the financial asset and does not retain control of the financial asset. The Company derecognises a financial liability (or a part of financial liability) when the contractual obligation is discharged, cancelled or expires.

Derivative Financial Instruments

Whenever Company holds derivative financial instruments such as foreign exchange forward contracts and principal swap to manage its exposure to foreign currency exchange rate risks. Derivatives are initially recognised at fair value at the date the contracts are entered into. Subsequent to initial recognition, these contracts are remeasured at fair value at the end of each reporting period and changes are recognised in the Statement of Profit and Loss.

Notes forming part of the financial statements for the year ended March 31, 2023

Fair value measurement

'Fair value' is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date in the principal or, in its absence, the most advantageous market to which the Company has access at that date. The fair value of a liability reflects its non-performance risk. The Company's accounting policies and disclosures, in a few cases, require the measurement of fair values, for both financial and non-financial assets and liabilities. Wherever available, the Company measures the fair value of an instrument using the quoted price in an active market for that instrument. A market is regarded as active if transactions for the asset or liability take place with sufficient frequency and volume to provide pricing information on an ongoing basis. If there is no quoted price in an active market, then the Company uses valuation techniques that maximise the use of relevant observable inputs and minimise the use of unobservable inputs. The chosen valuation technique incorporates all of the factors that market participants would take into account in pricing a transaction.

2.11. Cash flow statement

The Cash Flow Statement is prepared by the indirect method set out in Ind AS 7 on Cash Flow Statements and presents the cash flows by operating, investing and financing activities of the Company.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

2.12. Segment reporting

The Company identifies primary segments based on the dominant source, nature of risks and returns and the internal organisation and management structure. The operating segments are the segments for which separate financial information is available and for which operating profit / loss amounts are evaluated regularly by the Chief Operating Decision Maker (CODM) in deciding how to allocate resources and in assessing performance. The Company identifies secondary segment on the basis of geographical location of the customers.

2.13. Employee benefits

Compensation to employees for services rendered is measured and accounted for in accordance with Ind AS 19 on Employee Benefits.

Employee Benefits such as salaries, allowances, non-monetary benefits and employee benefits under defined contribution plans such as provident and other funds, which fall due for payment within a period of twelve months after rendering service, are charged as expense to profit or loss in the period in which the service is rendered.

Employee Benefits under defined benefit plans such as gratuity which fall due for payment after completion of employment are measured by the projected unit credit method, on the basis of actuarial valuations carried out by third party actuaries at each balance sheet date. The Company's obligation recognised in the balance sheet represents the present value of obligations as reduced by the fair value of plan assets.

Defined benefit costs are categorized as follows:

- Service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- Net interest expense or income; and
- Remeasurement

The Company presents the first two components of defined benefit costs in the Statement of Profit and Loss in the line item 'Employee benefits expense'.

Actuarial Gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest) are recognised immediately in other comprehensive income. Remeasurement recognised in other comprehensive income is reflected immediately in retained earnings and is not reclassified to profit or loss. Past service cost is recognised in profit or loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset.

The retirement benefit obligation recognised in the balance sheet represents the deficit or surplus in the Company's defined benefit plans.

Notes forming part of the financial statements for the year ended March 31, 2023

2.14. Borrowing costs

Borrowing costs directly attributable to the acquisition or construction of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale. All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

2.15. Earnings per share

The Company reports basic and diluted Earnings Per Share (EPS) in accordance with Ind AS 33 on Earnings Per Share. Basic EPS is computed by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

Diluted EPS is computed by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year as adjusted for the effects of all dilutive potential equity shares, except where the results are anti-dilutive.

3. RECENT INDIAN ACCOUNTING STANDARDS (IND AS)

On March 31, 2023, the Ministry of Corporate Affairs (MCA) has notified Companies (Indian Accounting Standards) Amendment Rules, 2023. This notification has resulted into following amendments in the existing Accounting Standards which are applicable from April 1, 2023.

- a) **Ind AS 101 – First time adoption of Ind AS** – modification relating to recognition of deferred tax asset by a first-time adopter associated with (a) right to use assets and related liabilities and (b) decommissioning, restoration and similar liabilities and corresponding amounts recognised as cost of the related assets.
- b) **Ind AS 102 – Share-based Payment** – modification relating to adjustment after vesting date to the fair value of equity instruments granted.
- c) **Ind AS 103 – Business Combination** – modification relating to disclosures to be made in the first financial statements following a business combination.
- d) **Ind AS 107 – Financial Instruments Disclosures** – modification relating to disclosure of material accounting policies including information about basis of measurement of financial instruments.
- e) **Ind AS 109 – Financial Instruments** – modification relating to reassessment of embedded derivatives.
- f) **Ind AS 1 – Presentation of Financial Statements** – modification relating to disclosure of ‘material accounting policy information’ in place of ‘significant accounting policies’.
- g) **Ind AS 8 – Accounting Policies, Change in Accounting Estimates and Errors** – modification of definition of ‘accounting estimate’ and application of changes in accounting estimates.
- h) **Ind AS 12 – Income Taxes** – modification relating to recognition of deferred tax liabilities and deferred tax assets.
- i) **Ind AS 34 – Interim Financial Reporting** – modification in interim financial reporting relating to disclosure of ‘material accounting policy information’ in place of ‘significant accounting policies’.

The Company is evaluating the amendments and the expected impact, if any, on the Company’s financial statements on application of the amendments for annual reporting periods beginning on or after April 01, 2023.

4. CRITICAL ACCOUNTING JUDGMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

In application of the Company’s accounting policies, which are described in note 2, the directors of the Company are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on various factors including historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

4.1. Key sources of estimation uncertainty

The following are the key assumptions concerning the future, and other key sources of estimation uncertainty at the end of the reporting period that may have a risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

Notes forming part of the financial statements for the year ended March 31, 2023

a) Useful lives of property, plant and equipment

The Company reviews the estimated useful lives of property, plant and equipment at the end of each reporting period. During financial years ended March 31, 2023 and 2022, there were no changes in useful lives of property, plant and equipment. The Company at the end of each reporting period, based on external and internal sources of information, assesses indicators and mitigating factors of whether the plant (cash generating unit) may have suffered an impairment loss. If it is determined that an impairment loss has been suffered, it is recognised in the Statement of Profit and Loss.

b) Impairment of trade receivables

The Company estimates the probability of collection of accounts receivable by analysing historical payment patterns, customer status, customer creditworthiness and current economic trends. If the financial condition of a customer deteriorates, additional allowances may be required.

c) Contingencies

In the normal course of business, contingent liabilities may arise from litigations and other claims against the company. There are certain obligations which management has concluded, which based on all available facts and circumstances, are not probable of payment or difficult to quantify reliably and such obligations are treated as contingent liabilities and disclosed in the notes but are not provided for in the financial statements.

Note 35

Details of Employee Benefits as required by the Indian Accounting Standard (Ind AS) 19 "Employee Benefits" are as follows:

1 Defined contribution plan:

The Company makes Provident Fund contributions which are defined contribution plans, for qualifying employees. Under the Schemes, the Company is required to contribute a specified percentage of the payroll costs to fund the benefits. During the current year, the Company recognised ₹ 59.32 Lakhs (year ended March 31, 2022 ₹ 36.26 lakhs) for Provident Fund contributions in the Statement of Profit and Loss. The contributions payable to these plans by the Company are at rates specified in the rules of the schemes.

2 Defined Benefit Plan (funded)

(a) A general description of the Employees Benefit Plan:

The Company has an obligation towards gratuity, a funded defined benefit retirement plan covering eligible employees.

The plan provides for lump sum payment to vested employees at retirement, death while in employment or on termination of the employment. Gratuity is calculated in accordance with the provisions of the Payment of Gratuity Act, 1972. Vesting occurs upon the completion of five years of service or on death.

(b) The Plan exposes the Company to the following risks:

Investment risk	The return on investments will impact the position of the defined benefit plan liability. If the return falls, net defined benefit obligation will increase the value of the liability.
Interest risk	The defined benefit obligation calculated uses a discount rate based on government bonds. All other aspects remaining same, if bond yields fall, the defined benefit obligation will increase the value of the liability.
Longevity risk	The company has used certain mortality and attrition assumptions in the valuation of the liability. The company is exposed to the risk of actual experience turning out to be worse compared to the assumptions considered.
Salary risk	The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

11 Sensitivity analysis

Reasonably possible changes at the reporting date to one of the relevant actuarial assumptions, holding other assumptions constant, would have affected the defined benefit obligation by the amounts shown below.

	For the year ended March 31, 2023		For the year ended March 31, 2022	
	Amount	%	Amount	%
(i) Discount rate (25 basis points)				
Increase	(2.86)	(1.87%)	(2.89)	(1.91%)
Decrease	2.95	1.93%	2.98	1.98%
(ii) Future salary escalation rate (25 basis points)				
Increase	2.96	1.93%	2.97	1.97%
Decrease	(2.88)	(1.88%)	(2.89)	(1.92%)

The Sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in the assumptions would occur in isolation of one another as some of the assumptions may be correlated.

12 Defined benefit obligation - Average duration

The weighted average duration of the defined benefit obligation is 7.59 years (March 31, 2022: 7.78 years). The expected maturity analysis of undiscounted gratuity benefits is as follows:

Particulars	Less than a year	Between 1-2 years	Between 2-5 years	Over 5 years	Total
March 31, 2023					
Defined benefit obligations- Gratuity	25.72	13.44	35.95	230.23	305.34
March 31, 2022					
Defined benefit obligations- Gratuity	18.69	15.21	36.16	219.07	289.13

13 Other long term employee benefits

Compensated absences are payable to employees. The charge towards compensated absences for the year ended March 31, 2023 based on actuarial valuation using the projected credit unit benefit method is ₹ 34.79 lakhs (March 31, 2022: ₹ 5.17 lakhs).

(C) Fair value measurements

This note provides information about how the group determines fair values of various financial assets and financial liabilities.

Fair value measurements are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;

Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and

Level 3 inputs are unobservable inputs for the asset or liability.

Fair value of financial assets and financial liabilities that are not measured at fair value (but fair value disclosures are required)

The Company is of the belief that the carrying amounts of financial assets and financial liabilities recognised in the financial statements approximate their fair values.

(D) Financial risk management objectives

The Company's principal financial liabilities comprise borrowings, trade payables and other financial liabilities. The main purpose of these financial liabilities is to support its operations. The Company's principal financial assets include trade and other receivables and cash that are derived directly from its operations.

The Company has exposure to the following risks arising from financial instruments:

- Credit risk;
- Liquidity risk; and
- Market risk

i. Risk management framework

The Company's activities expose it to a variety of financial risks, including market risk, credit risk and liquidity risk. The Company's primary risk management focus is to minimize potential adverse effects of market risk on its financial performance. The Company's risk management assessment and policies and processes are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls, and to monitor such risks and compliance with the same. Risk assessment and management policies and processes are reviewed regularly to reflect changes in market conditions and the Company's activities. The Board of Directors and the Audit Committee is responsible for overseeing the Company's risk assessment and management policies and processes.

ii. Credit risk management

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with bank and other financial instruments.

The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period. To assess whether there is a significant increase in credit risk the Company compares the risk of a default occurring on the asset as at the reporting date with the risk of default as at the date of initial recognition.

Trade and other receivables

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The demographics of the customer, including the default risk of the industry and country in which the customer operates, also has an influence on credit risk assessment. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business. The Company establishes an allowance for doubtful debts and impairment that represents its estimate of incurred losses in respect of trade and other receivables.

Historical trends of impairment of trade receivables do not reflect any significant credit losses. The Company has further considered internal and external sources of information, specifically having regard to the current macro economic conditions and the global health pandemic to assess the impact on credit losses. Basis the information available as at the date of approval of these financial statements, the Company expects the historical trend of minimal credit losses to continue.

Summary of the Company's exposure to credit risk by age of the outstanding from various customers is as follows:

	₹ in Lakhs	
	As at March 31, 2023	As at March 31, 2022
Neither past due nor impaired	3,676.81	3,389.06
Past due but not impaired		
Past due 1-90 days	313.37	747.94
Past due 91-180 days	4.66	1.62
Past due more than 180 days	21.30	—
	<u>4,016.14</u>	<u>4,138.62</u>

Expected credit loss assessment for customers as at March 31, 2023 and March 31, 2022

Exposures to customers outstanding at the end of each reporting period are reviewed by the Company to determine incurred and expected credit losses. Historical trends of impairment of trade receivables do not reflect any significant credit losses. Further, management believes that the unimpaired amounts that are past due by more than 30 days are still collectible in full, based on historical payment behaviour and extensive analysis of customer credit risk.

The movement in the allowance for impairment in respect of trade receivables during the year was as follows:

	₹ in Lakhs
Balance as at April 01, 2021	13.02
Impairment loss recognised	—
Amounts written back	(8.83)
Balance as at March 31, 2022	4.19
Impairment loss recognised	0.59
Amounts written back	—
Balance as at March 31, 2023	4.78

Cash and cash equivalents

The Company held cash and cash equivalents with credit worthy banks and financial institutions of ₹ 6.52 lakhs (₹446.56 lakhs as at March 31, 2022)

Other than trade and other receivables, the Company has no other financial assets that are past due.

(E) Liquidity risk management

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risk to the Company's reputation.

The Company has access to funds from group companies in the form of long/short term borrowings. The Company also has working capital facilities from banks.

Exposure to liquidity risk

The table below analyses the Company's financial liabilities into relevant maturity groupings based on their contractual maturities for:

As at March 31, 2023	Carrying amount	Total	Contractual cash flows			₹ in Lakhs

(F) Market risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from adverse changes in market rates and prices (such as interest rates, foreign currency exchange rates) or in the price of market risk-sensitive instruments as a result of such adverse changes in market rates and prices. Market risk is attributable to all market risk-sensitive financial instruments, all foreign currency receivables and payables and all short term and long-term debt. The Company is exposed to market risk primarily related to foreign exchange rate risk, interest rate risk. Thus, the Company's exposure to market risk is a function of investing and borrowing activities and revenue generating and operating activities.

Currency risk

The fluctuation in foreign currency exchange rates may have potential impact on the profit and loss account and equity, where any transaction references more than one currency or where assets / liabilities are denominated in a currency other than the functional currency of the entity.

Considering the countries and economic environment in which the Company operates, its operations are subject to risks arising from fluctuations in exchange rates in those countries. The risks primarily relate to fluctuations in US Dollar (USD) and Euro (EUR), against the functional currencies of the Company.
